

**INTRODUCTION**

Waterstop Construction was founded by A L Prinsloo in 1984, specialising in waterproofing in Eastern Transvaal Lowveld as it was formerly known. From there he have extended his operation on an ad hoc basis too include selected contracts in other areas, Cape Province, Pretoria, Northern Transvaal, Maputo and Swaziland. He later incorporated epoxy resins in his operations.

**FIELD OF OPERATION:**

(WATERPROOFING, FLOORING AND CONCRETE REPAIRS)

His field of operation for a very long time was waterproofing only and he has managed to be selected by most manufacturers as approved specialists applicators for their respective products.

The more important manufacturers whose products he represent were:

Company	Products
Derbigum S.A.	The full spectrum of products
Stoncor	Bituthene and all epoxy products
ABE	Index and other waterproofing and epoxies
BASF	Ucrete and other epoxies
